

Give good days with a little help from your

Start your Good Days fundraiser on Facebook at <http://apps.facebook.com/gooddays>

Gather your friends and host your own fundraiser on Facebook! Our Facebook app makes raising donations and creating awareness for Good Days fast and easy – so thousands of patients can receive the lifesaving medication they desperately need. Let Facebook help you and your friends give good days.

1 START

Go to the URL above to sign into your Facebook account. Then click 'Allow' to grant access. Only your basic information will be used.

2 CREATE

Give your fundraiser a personalized name, message, and image. Then enter your fundraiser's goal amount (minimum of \$100) and deadline.

3 SHARE

Post your fundraiser to your wall and invite your friends to donate! You can even share your fundraiser with other social media sites.

4 MANAGE

Keep track of your fundraiser's progress or edit your goals. Learn how to make sure your fundraiser is a success by following the tips below.

Helpful Tips for your Fundraiser:

1. To find your Good Days fundraiser app, go to your Facebook home page. There you'll find the Good Days icon on the left side of your screen, under 'APPS.'
2. How long should your fundraiser be?
 - For goals \$100–\$300, consider a deadline of two – three weeks.
 - For goals more than \$300, consider a deadline of four weeks.
3. Become actively involved with your fundraiser by creating a Group. Just go to your Facebook home page and find the 'Create Group' option on the left side of your screen. Give your group a name and invite your friends to join!
4. Share Good Days links and videos on your Facebook wall so others can learn about Chronic Disease Fund and its lifesaving mission. Visit www.gooddaysfromcdf.org for videos, stories and other content to share.
